## NOTICE TO ALL HELB LOAN DEFAULTERS

The Higher Education Loans Board hereby notifies all beneficiaries who are not servicing their loans that it is a legal requirement as per the **HELB Act Cap 213A**, that all loanees should submit to the Board information that would facilitate loan repayment. To this end, the loanees are hereby required to furnish the Board with the necessary information regarding their whereabouts and current engagements within **14** days from the date of this notice. This applies to loanees who were granted loans by:

1. The defunct Higher Education Loans Fund;
2. The Ministry of Education through the National Bank of Kenya and Kenya Commercial Bank
3. The Higher Education Loans Board.

The defaulters are further notified that at the expiry of this notice, the Board will forward details of non performing loans to credit reference bureaus for action as deemed necessary.

All defaulters should take notice that the Board also intends to engage services of debt collectors to recover the amount owing summarily as civil debts and they shall bear the consequences thereof.

To avoid the above, all beneficiaries currently not repaying their loans are required to forward to the Board their **names, ID numbers, current postal addresses** [both residential and permanent], **e-mail addresses, land line and mobile telephone numbers**. They should also forward their current **employers' names, postal address, email, and telephones numbers** [where applicable]. Loanees who are unemployed or self employed are also required to provide all their details.

Enquiries should be addressed to:
